SCHOOL NEWSLETTER

13th September 2024

Welcome Back

In our first newsletter of the term, we would like to take the opportunity to welcome everyone back to our new school year. We hope you all had a good summer. The children have returned with an enthusiasm to re-engage with their learning, as they settle into the routines of their new year groups.

IT Upgrade

Over the Summer holiday the Trust has been upgrading our IT systems. This has involved installing new computers in our Computer Suite, as well as setting up a bank of laptops and iPads, to be used in classrooms for project work. This upgrade will make a significant difference to the quality of our Computing curriculum delivery. The school's computers will be administered through a new Trust server, so that the Trust IT technical support team can manage it more easily. School emails for staff and pupils have transferred to new accounts. These new staff email addresses have been included in the Year Group Padlets (please see Year Group Padlet links below).

Year Group Padlets

Year 3: [2024 - 2025 Year 3 Home Supported Learning \(padlet.com\)](#)

Year 4: [2024-25 Year 4 Home School Partnership \(padlet.com\)](#)

Year 5: [Year 5 Home School Partnership 2024 - 2025 \(padlet.com\)](#)

Year 6: [Year 6 Home School Partnership 2024-25 \(padlet.com\)](#)

Information Sharing Evenings

As we settle into the new school year, the staff and I appreciate that there may well be information that you wish to share with your child's new class teacher. The teachers' email addresses will help with this process, as will the opportunity to meet your child's teacher at the Year Group Information Evenings, scheduled for next week. These are an opportunity for you to find out more about year group plans for the year ahead and to ask any questions you may have. The timings are as follows:

- **Years 3 and 4 classes on Tuesday 17th September, 4.00 – 4.30 pm, in classrooms.**
- **Years 5 and 6 classes on Wednesday 18th September, 4.00 – 4.30 pm; Year 5 meeting in classrooms and Year 6 meeting in the school hall.**

Please access these meetings via the main school entrance on Telford Avenue. We look forward to seeing you.

Please could the staff and I ask that if you have questions about school routines and activities in school, you refer to the Year Group Padlets, the school newsletter and website, or contact the school office. We are mindful that last year, the trend of relying on social media groups resulted in families receiving misinformation. We would also ask that such sites are not used for complaints, an unfortunate trend in the world in which we live and one I would hope our school community can avoid. If you have concerns, please share these with the school, rather than on social media.

If you need to speak with your child's class teacher on a specific matter, please arrange a time to do so, either via the school office or the teacher's email address. **Teachers find it hard to speak to parents/carers at the start of the school day, as they are responsible for the class at that time.** If you have information which needs to be passed on first thing in the morning, please inform the school office and this information will be relayed to teachers. Please be mindful that information sent in an email to teachers may not be picked up until later, therefore more urgent information sharing needs to go to the school office (in person or via a telephone call). I hope this guidance is helpful.

CHILDREN & FAMILY CENTRE

Site Safety

Please could we ask families to remind children not to ride their bikes or scooters once they enter the school site, so as to avoid collisions and injuries. Thank you for your support with this matter.

Information for Families

During the year, I will continue to share information about local clubs and activities via the school website, on the 'Information for Families' page, such as the Tae Kwon Do group's flier below:
