Creative Arts Week

During our Creative Arts Week, we embraced the spirit of the Paris Olympics, through a variety of exciting activities, exploring French culture. The week was a great success, with creativity flowing through every corner of the school. The collaborative efforts of the children were a real highlight, with classes exploring the work of French artists. The children had the opportunity to work with different teachers, supporting transition to their new classes in September. Cross-curricular projects were another key feature of the week, with pupils learning about the history of the Olympic games, calculating athletics' statistics in Maths and creating Olympic-themed poetry in English. Dance, drama, and music added to a fantastic week. Y3 Beech children enjoyed their French food tasting and 'Breaking', the new Olympic sport.

The Year 4 children were very excited this week, as they were introduced to Sky and Sarah, two guide dogs who visited the school. Their visit was part of Year 4's PSHE curriculum, in which the children learn about responsible pet care and animal charities. The children were so engaged and asked very insightful questions.

Year 2 Maths Transition Day

We were pleased to welcome the Year 2 children to Telford Junior School on Wednesday 3rd July. Each Year 2 class joined with a Year 3 class, for a session in the hall, where they investigated different Maths activities. We were very proud of how friendly and supportive the Year 3 children were and the great Maths skills all the children displayed. Thank you to Mrs Powell, who leads Maths across the school, for organising and running this very successful event.

Summer Term Calendar

Monday 15 July	Years 3 and 4 Sports Day
Tuesday 16 July	Years 5 and 6 Sports Day 6.30 Year 6 Leavers' Performance
Friday 19 July	3.20 End of Term

Police Information Sharing

The Police have asked if local schools could share the following links with families:

Protecting Your Bike from Theft

<https://www.warwickshire.police.uk/cp/crime-prevention/keeping-vehicles-safe/how-safe-is-your-bike/>

Personal Safety – How to Stay Safe

<https://www.warwickshire.police.uk/cp/crime-prevention/personal-safety-how-to-stay-safe/>

Considerate Parking

There have been a few incidents recently concerning people parking safely and with consideration on Telford Avenue and Kelvin Road. Local residents would be grateful, when parking in these streets, for families to think carefully about not blocking driveways or parking / dropping off on areas of the road marked by the 'zig zag' yellow lines. When manoeuvring your car, residents ask that you do so carefully, to avoid collisions and damage to other cars. At all times, please think about the safety and wellbeing of other road users and pedestrians.

Other News

It was good to welcome our new Year 2 pupils into school on Wednesday for our Induction Day and to meet with families that evening for our New Parents/Carers' Information Evening. The Year 6 children, who had the opportunity to visit their secondary school seemed to enjoy themselves and are very excited about the next stage in their education. Year 6 also celebrated their SATs success and completing their primary school education with a Fun Day yesterday – the silent disco was a particular success, although not so silent!

Next week, we look forward to the Year 6 Leavers' Performance on Tuesday evening and our Sports Days.

Have a great weekend and let's hope all goes to plan on Sunday evening!

Best wishes,

Richard Siviter
