Changes to Telford Junior School Wraparound Provision for September 2024

You may be aware that, towards the end of the Spring Term, Telford Infant School made the decision to change the organisation and administration of the Wraparound provision offered through Smiles. From September the proposed changes will impact on students and families here at Telford Junior School.

With this in mind, the school has been working closely with our Trust and I am pleased to announce the following provision will be in place for all Year 3-6 pupils here at Telford Junior School from September; no longer requiring pupils of any age group to utilise the Wraparound provision previously arranged through the Infant School.

We have commissioned the services of 'Go Go Makers', who will deliver both before and after school care here at Telford Junior School, starting this September. We are excited about this opportunity to provide a comprehensive fun, caring, and nurturing childcare service for our children.

'Go Go Makers' are an established provider, committed to creating a safe and enriching environment for all the children in their care, with a team of passionate staff, all of whom undergo regular training.

We look forward to welcoming both familiar faces and new families to our revised provision at Telford Junior School. 'Go Go Makers' are currently preparing a timetable full of engaging activities and programmes that your children will love. Further details will be provided after the half-term break, however, I felt it important to give families as much notice as possible to support your planning for September.

School Fair

The pleasant weather and the excellent turnout made last weekend's Summer Fair a real success. Thank you to all our families who supported the fair with donations, volunteering, tidying up, or simply coming along to the event. The school is very grateful for the £1,750 raised through the efforts of Team Telford.

Spanish Cookery in Year 3

Year 3 have had a fantastic week, with lots of amazing smells coming from our school kitchen. The children have learnt how to make empanadas, as part of their Geography topic studying Spain. They selected a variety of vegetarian ingredients and created empanada discs using different cooking utensils. They then chopped the mixture and fried it, to add to the pastry discs. We want to say a huge thank you to Mrs Carvalho and Mr Jones for cooking with the children in a very hot kitchen all week and putting their culinary skills to the test.
