## SCHOOL NEWSLETTER

15<sup>th</sup> March 2024

**WORLD BOOK DAY FUN!**  
We had a great time celebrating World Book Day last week and here are just a few snapshots from the day. Costume and Book in a Box winners will be published shortly.

## Rubiks Cube Success

We are very proud of Leo Adams in Y4 who has recently taken part in a Rubiks Cube competition in Stevenage. Leo was one of the youngest of the 150 competitors who ranged from 7 years old to adult. Leo took part in a number of 'solves' and achieved two personal best times. Leo went on to win third place for which he was presented a medal.

What an absolutely amazing achievement!

## Miss Hummouri's Arts & Crafts Club

I have now been running my after school Arts & Crafts Club for almost a year. The children have really enjoyed it and here are a few pictures of what we have made so far.

My next course is open to all year groups. You should have recently received an email about this. I look forward to welcoming more children to come and make some fabulous creations after Easter.

Razan Hummouri

## Family Information Service

Warwickshire's Family Information Service (FIS) provides a wealth of information about the range of different support available in the county for children and families. The link below takes you to their latest newsletter, which includes their contact details.

The 'Information for Families' page on the school website also provides information about support available in the locality, which I aim to update regularly, including a link to the latest FIS newsletter.
