Harvest Collection - Monday 21st October

The children have asked if we are going to collect produce for a harvest celebration again this year. We have been talking about harvest in our assemblies and we have agreed that we would like to collect tinned produce for the Warwick District Foodbank, as we have in previous years. The Foodbank say they have plenty of tins of beans and soup and would like us to prioritise tinned vegetables, which fits in well with our harvest theme. If you are able to help, we are asking the children to bring in tins of vegetables for our collection on Monday 21st October. Many thanks for your support.

Department for Education Request to Share Information with Families: Product Safety Alert - Water Beads (PSA7)

This is a Product Safety Alert from the Office for Product Safety and Standards (OPSS) for a product commonly known as 'water beads'. Water beads can pose a serious risk of a) gastrointestinal blockage requiring surgery or b) asphyxiation (suffocation or choking). This Alert is for consumers (particularly parents and caregivers to young children), childcare and educational establishments, local authority trading standards and businesses to warn of the potential harm that water beads can pose.

New School Website

We are pleased to inform you of our new website, which has been set up by the Elm Tree Academy Trust: <https://www.telfordjunior.co.uk/>

We hope that our website continues to keep families informed of the activities and events taking place in school, provides information about our curriculum and the learning the children are engaged with, and serves as a point of reference for other key information about the school.

With best wishes for the weekend,

Richard Siviter
