

October 2023

Dear Parents/Carers

Year 5 “The Black Hole” – MOBILE PLANETARIUM

On Friday 10th November 2023 Year 5 will be attending a ‘Mobile Planetarium’ session in the school hall as part of our science topic on “Earth & Space”. The objective is to reinforce their knowledge and understanding and we hope that this will be a unique and stimulating experience.

To cover the cost of the activity we would be grateful for a contribution of **£3.50**. This is a voluntary contribution, but if insufficient funding is received, the activity may not take place. If any parents/carers have problems in paying, please see a member of the school office staff.

Your permission for your child to take part in this activity needs to be given via your ParentPay account when you make payment. Please can you make payment/give permission by Wednesday 1 November 2023.

Yours sincerely

Mr Fox

Mr Thomas

Miss Thompson

Year 5 Class Teachers
