

TELFORD JUNIOR SCHOOL

GAME DESIGN Afterschool Club

“ Everyone
should know
how to
program a
computer,
because it
teaches you
how to think!
Steve Jobs

At Jam Coding, our goal is to help improve children's digital skills. Does your child enjoy playing games? Children will learn to use their gaming experience and imagination to develop their own unique game. This course will take children through all the steps that real game developers use to create games. They will design characters, add backgrounds and use code to develop their own 2D game using game development software. At the end of the course, all children will receive a certificate and one team will receive a trophy!

DATES : 2nd 9th, 16th, 23rd, 30th November 2026
7th, 14th December 2026

TIME : 3.30pm - 4.30pm

PRICE : £49/Full Session

BOOK HERE : <https://portal.jamcoding.franscape.io/class-overview/6733>

Click the link above to view course details OR visit our website and head to the booking tab. Enter your postcode in the locations field and click search to view courses. Then select the school or venue you require.

N.B. You can only attend courses held at the school that your child attends. You can also search by the school postcode.
