Year 6 Visit to the Tower of London – Tuesday 3rd November

Dear Parents and Carers,

We are really looking forward to our Year 6 trip to the Tower of London on **Tuesday 3rd November** and we wanted to share a few important reminders to help the day run smoothly.

An early start!

Please ensure that your child arrives at school **by 7.15am** so that we can complete registration and be ready to leave promptly at **7.30am**. We appreciate that this is an extremely early start - apologies! We want to make the most of our time at the Tower, so a prompt departure is unfortunately essential.

What children need to bring:

- **A warm, waterproof coat** – we will be spending a considerable amount of time outdoors, whatever the weather, so children need to be prepared for both cold and rain.
- **A packed lunch and a drink** – please ensure your child has a water bottle that they can refill during the day.

Travel sickness:

If your child suffers from travel sickness, please ensure that they have taken any medication before leaving the house. If they require further medication for the return journey, please complete the medical form that your child has brought home. Completed forms need to be handed to Mrs Brogdale along with the medication on the day.

Important reminders about food

Children must not bring sweets or additional snacks for the coach journey.

Serious Allergies

We would also like to emphasise that no child must bring nuts or any food containing sesame seeds, including products containing these ingredients. We have children with severe allergies, and exposure to these allergens could have extremely serious consequences. We ask all families to take particular care when preparing packed lunches and checking food labels. Thank you for helping us to keep everyone safe.

Our return to school

We are aiming to arrive back at school at approximately **5.00pm**. However, if we realise that we will be significantly later, we will send out a Groupcall message with the revised arrival time

We are all incredibly excited about this trip. The Tower of London is a fascinating place, and we hope that the day will not only bring our history learning to life but also provide a wonderful lasting memory for our Year 6 children.

Thank you, as always, for your support.

Kind regards,

Kerry Booth
On behalf of the Year 6 Team
