Celebrating European Day of Languages

Today our school community marked the European Day of Languages, an international event which promotes the rich diversity of languages and cultures across Europe. At Telford Junior School, each class chose a European country to research. Pupils explored their chosen nation's people and culture, celebrating through art, cooking and tasting traditional foods, as well as dressing in the colours of their country's flag. It has been a joyful way to deepen cultural awareness and bring learning to life.

Harvest Food Collection – Wednesday 1st October

As part of our Harvest celebrations, we will once again be holding a food collection to support Warwick District Foodbank. We are asking families to donate tinned items such as vegetables, fruit, fish and meat products – with a longer shelf life, that can be stored and shared with those in need over the coming months.

If some families would like to send in some fresh vegetables, that would help us create a harvest display. The fresh produce could then be used for a cookery activity.

All donations will be gratefully received and will make a real difference to local families. Children are invited to bring items into the school hall on Wednesday, 1st October.

If you are able to spare any carrier bags or 'bags for life', that would really assist with transportation to the foodbank. The foodbank will ensure they are re-cycled.

Thank you for your generosity and support.

Great Work!

Two of our thoughtful pupils, Ben and Tristan (4 Lime), organised a fantastic book sale last term. Their hard work and enthusiasm brought our school community together and raised money to support Birmingham Children's Hospital, as well as our own school. We are so proud of their kindness and initiative – thank you and well done to you both.

Autumn Term Cross-Country Event

The first cross-country event of the season is the Run Club, which is taking place at **Edmondscote athletics track, on Saturday 11th October, 10:15-11.15am**. Pupils are invited to simply turn up at the event and train. Parents/carers are welcome to support at Run Club sessions or cross-country races throughout the season. ***Please note all children must be accompanied by an adult for all races and Run Club events and cannot be left unattended.***

Information and Support for Your Family

The Warwickshire Family Information Service (FIS) provides free information and resources on a variety of topics relevant to families.

By subscribing to the FIS newsletter, you can receive regular updates and guidance on:

- Childcare options
- Financial and benefits guidance
- Local events and activities
- Health and wellbeing services

Families can sign up to receive this information directly to their inbox using the link below.

Community Strategy

Warwick District Council's Corporate Strategy aims to help residents living in its diverse communities to support their own health, safety and wellbeing needs. This will be achieved through ongoing collaboration and conversation with residents of those communities, allowing them to share their views and input into the council's decision making.

The new Community Strategy will look at who needs help, which groups of people might need help and where in particular they are living, so that projects and initiatives can be developed and resources can be directed to the areas which are most in need of support.

To inform the new Community Strategy, the Council is carrying out an engagement and involvement exercise, asking residents for their views. This aims to find out what it is like to live in your community, what is good about it, what do you get involved in and where are the areas that need additional support.

This link will take you to the online survey: [Your Community Survey](#)
