Year 4 Multiplication Magic!

We are incredibly proud of our Year 4 children for their fantastic effort and determination in learning their multiplication tables this year. The hard work they have put into practising and preparing for the Multiplication Tables Check (MTC) has truly impressed all their teachers.

Their focus, perseverance and positive attitude have been brilliant to see – well done, Year 4! We are very proud of you!

Mrs Powell, Maths Subject Lead

Girls' Football

The girls delivered an outstanding performance in our recent league match against Crackley Hall, securing an impressive 5–1 victory. It was a closely contested first half, with TJS narrowly leading 2–1 at the break. However, the team stepped up their game in the second half, showcasing skill, determination, and teamwork.

A standout moment came from Rosie, who scored a fantastic hat-trick, helping to seal a well-deserved and comfortable win. Well done to all the players for their brilliant efforts on the pitch!

Year 4 Antarctica Workshop

Last week, the children thoroughly enjoyed taking part in our fantastic Antarctica Workshop, which supported their Geography learning about Biomes. They listened so attentively, showed great enthusiasm throughout and asked some truly thoughtful and insightful questions. It was a joy to see them so engaged! The follow-up work they have produced has been incredibly impressive, demonstrating how much they took away from the experience. You can see photos from all three classes below.

Year 4 Teachers

Letter from Warwickshire Family & Relationship Support

Warwickshire Family and Relationship Support

Being a parent is one of the most demanding jobs you will ever have, but you are not alone. Did you know that there is a wealth of support for parents and carers in Warwickshire?

Parents and carers can access advice in a variety of ways, from reading through online guides to virtual and face-to-face workshops and programmes.

Further information can be found here:

<https://www.warwickshire.gov.uk/childrenfamilies/parenting-support/2>

You can also follow our Eventbrite page:

<https://www.eventbrite.co.uk/o/warwickshire-parenting-support-71623337213>

Parent Coaches are linking up with Telford Junior School, with the aim of providing workshops and programmes around Parenting and Family and Relationships.

We would like as many parents as possible to come along.

This is a quick questionnaire to all parents/carers, to find out what support you feel is needed and what workshops you may be interested in attending. Please take a few minutes to complete this and then look out for workshops available soon.

Questionnaire: Parenting Workshops and Programmes

Please complete the questionnaire by Friday 20th June.

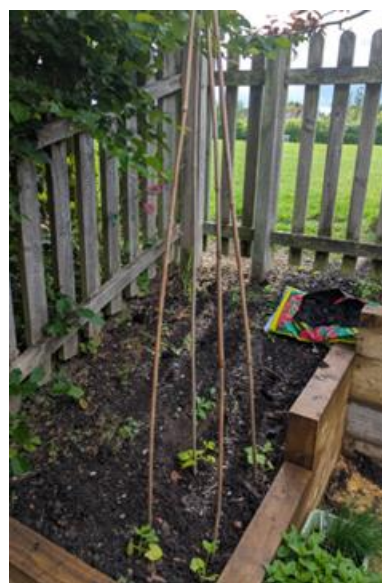

I look forward to seeing you on one of our upcoming workshops.

Claire McEnery, Parent Coach

Year 4 Edible Garden Project

We are very excited to tell you that our vegetables and herbs are growing with abundance!

We are looking forward to using them in our Year 4 Design Technology work later this term.

Mrs Claire Woodcock, DT Subject Lead

End of the Summer Term	Friday 18 July (3.30 pm)

Please note that the term, holiday and training day dates for the next school year (2025/26) have been added to the school calendar on our [website](#).

Year 6 Writing

As well as our Year 4 children taking their Multiplication Tables Check, our Year 6 children have been working incredibly hard on their writing. Writing is teacher assessed under the End of Key Stage 2 Tests and Assessments. To ensure consistency in teachers' judgements across the country, local authorities are required to moderate samples of writing across their schools. It was the turn of Telford Junior School to provide samples of children's writing for this moderation process, with Year 6 teachers attending a moderation day, presenting children's work and explaining the basis for their judgements. I am pleased to say the local authority moderators agreed with our teachers' judgements and were extremely positive about the quality of writing shared. We are very proud of the endeavours of the children and the quality of the writing they are achieving.

With best wishes,

Richard Siviter
