

2nd September 2026

Arts Insight is a national arts charity providing musical theatre workshops, a youth theatre company, performing arts 1:1 and group classes in Warwickshire and across the UK. We believe in the role of performing arts in improving children's development in essential life skills such as confidence, communication, teamwork, discipline, and self-esteem. Our work is proven to be completely inclusive for children of any age, culture, physical and mental ability.

We offer up to 30 students from KS2, the opportunity to work with professional theatre practitioners in weekly classes, which run in the school hall from 3:30 – 4:30pm throughout the school year.

The students will be taught fundamental aspects of performance art, exploring subjects such as mime, script work, devising, improvisation and audition techniques. Throughout the year the class will get the opportunity to showcase their work in front of the school, family and friends through shows specifically created and written for them, based on ideas that the students provide.

Classes run every Friday throughout the school year at a cost of £5.50 per child per session. Payment is taken on a half termly basis.

Due to losing a number of year 6 students who have now moved to their senior schools, we have a few places available, so if your child would like the chance to be part of these fun and dynamic on-going classes, please text Laura on **07540 874642** to book your child's place, ahead of our classes returning to Telford Junior School on Friday 4th September 2026.

Best wishes,

Laura
