### Year 4 Orienteering

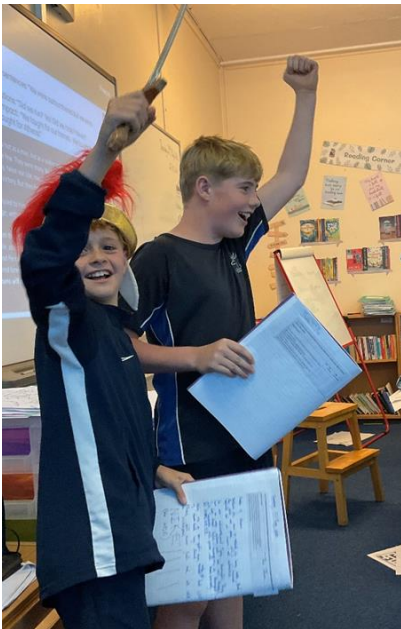

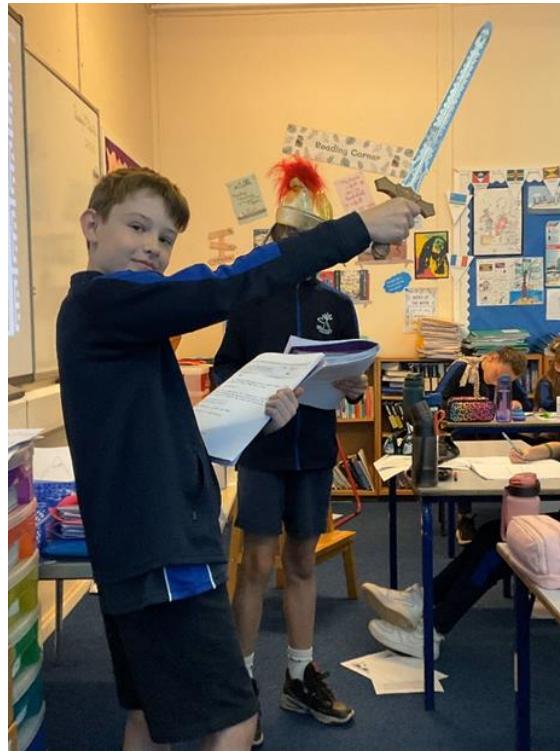

Twelve enthusiastic Year 4 pupils recently took part in an exciting orienteering event. They enjoyed a range of activities, including using maps to find specific locations, taking part in a fun scavenger hunt and solving riddles through orienteering-themed games. The day was a fantastic opportunity to develop their map reading skills and teamwork. We are proud of how well they represented our school throughout the event.

## Year 6 Greek Day

As part of the Year 6 Ancient Greece day, the children gave powerful victory speeches, as if they had won the Battle of Marathon and then formed an Ancient Greek government, staging a formal debate.
