SCHOOL NEWSLETTER

1st May 2026

Special Educational Needs Support

In this week's newsletter, we would like to highlight the support available in the local area for parents and carers of children with special educational needs and disabilities (SEND). We recognise that families may benefit from additional guidance, advice and community connections, so we are sharing two local flyers outlining services currently available. We also encourage you to visit the *Information for Families* page on our school website, where you can find a wider range of support, including parenting programmes and services for children and families more broadly. This page is regularly updated as new information comes into school, so we recommend checking it from time to time. We hope these resources are helpful and remind you that support is available whenever it is needed.

Making the Most of Our Outdoor Spaces

Last week, our Year 5 and 6 pupils took part in an exciting tennis tournament, following their recent games lessons with Mr Openshaw and Mr Davies. The children showed great enthusiasm and sportsmanship throughout, with teamwork and fair play on display. All participants should feel very proud of their efforts. Well done to Year 5, who finished with the most wins.

As the weather improves, we are making the most of our school field, which is a real asset. It provides valuable space for PE and games lessons, as well as for children to enjoy at breaktimes. It is lovely to see how much the children appreciate it. We are also pleased to see the Butterfly Garden, led by Miss Meredith, being brought back into use. With support from our grounds team, it is now a safe and accessible space, and the children are enjoying lunchtime gardening, planting seeds and tending the area. Thank you for the kind donations of seeds and plants; these are being put to great use, and any further contributions can be placed in the collection boxes on both playgrounds.

We wish all our families a restful and enjoyable bank holiday weekend,

Richard Siviter
