Team Telford Bingo Night

We are pleased to share that our recent Family Bingo Evening, hosted by Team Telford and led by Mrs Poulson, was a great success. It was lovely to see so many families enjoying time together, and we have received some very positive feedback from those who attended. We would like to thank Mrs Poulson for the time and effort she put into organising the event - from arranging tickets and setting up, to leading the bingo on the evening itself. Her commitment helped to create an enjoyable and memorable occasion for our children and their families. The event raised £380, as Team Telford continues to raise funds for creating an outdoor learning area alongside our new build.

Celebrating Leo's Musical Success

Leo, one of our Y6 pupils, who showcased his piano skills at our Christmas Songs and Music, had the exciting opportunity to perform a short piano set at Leif Piano Bar in Leamington on Sunday. His performance was really well received, and Leo enjoyed some excellent feedback. There is a possibility that the venue may offer him a regular performance slot in the future. What an exciting achievement for someone of his age.

Sporting Endeavour

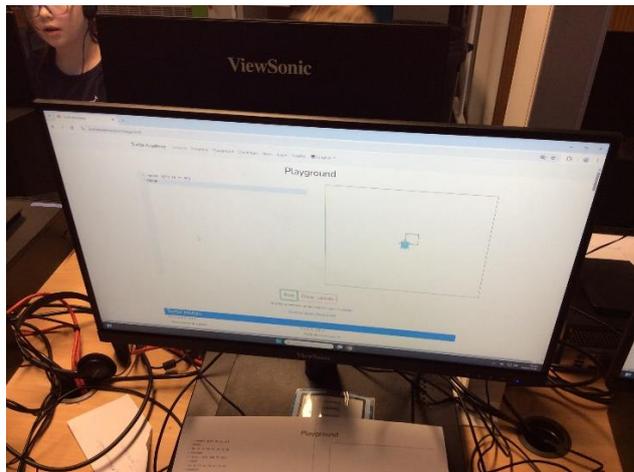

Congratulations to the 25 children who represented the school at the Leamington Cross-Country event at Edmondscote Track last Saturday. Despite some tricky conditions, all of our runners showed great determination and resilience, performing brilliantly and doing the school proud.

On Wednesday, 30 Year 6 pupils travelled to Ryton Leisure Centre to take part in the Sportshall Athletics competition. The team competed extremely well across both track and field events, winning many of their individual races and events and finishing an impressive 4th place overall. Well done to everyone involved for their fantastic effort and teamwork!

Computer Coding in Y3

Year 3 pupils have been learning about coding in their Computing lessons, through 'Turtle Academy'. The children had to input the algorithm for the turtle to meet the command. They grasped the concept really quickly and enjoyed creating concentric squares. They have also started mastering how to create regular polygons and drawing repeat patterns.

Activities in the Local Area

We have received information in school about a range of different events and activities planned in the local area for children, parents and families. Please visit the 'Information for Families' page on our school website to find out more about:

- Activities taking place at Southorn Court.
- Lillington's Big Family Week.
- Activities planned by the Brunswick Hub.
- The timetable of activities organised across the Warwick & District Children & Family Centres.
- Leamington Netball Club.
- GoGo Makers half-term holiday camps.
