Recruitment Information Pack

School Administrator at Telford Junior School

An overview of Telford Junior School

Dear Applicant,

Telford Junior School is a thriving and nurturing school that offers a safe, inclusive and enjoyable learning environment for 7–11-year-old pupils.

As part of The Elm Tree Multi Academy Trust (ETMAT), our mission is to achieve educational excellence and enrich the lives of young people. Our children are challenged to succeed in a caring and supportive environment, where an enjoyment of learning flourishes.

Our four year groups each have three mixed ability classes, where teachers and teaching assistants strive to provide a stimulating well-resourced learning environment to engage and inspire children. The majority of pupils transfer from Telford Infant School at the end of Key Stage 1, with a smaller number of children joining from other primary schools.

We deliver a rich, broad and balanced curriculum, equipping our children with positive attitudes, skills and knowledge that encourage them to achieve their potential and to aspire for future success. Our enrichment programme compliments this by offering trips, workshops and outdoor pursuits to children of all year groups. Furthermore, we are the proud recipient of the Gold School Games Mark, in recognition of our work in promoting active, healthy lifestyles.

Our school values underpin all that we do, and we expect everybody in our school community to embrace these values: **Care, Achieve, Respect, Enjoy.**

CARE

- We encourage children to work co-operatively, to share their ideas and help one another to be successful.
- We encourage children to be appreciative of others and to be sensitive to others' needs and feelings.
- We aim to nurture kind, thoughtful and tolerant citizens of the future.

ACHIEVE

- We encourage children to persevere with activities, to develop resilience and a will to succeed.
- We aim for children to achieve their best and to aspire for future success.
- We nurture expectations of focused learning, to prepare the children for the next stage in their education.

RESPECT

- We speak to each other with calmness, politeness and civility.
- We encourage children to be responsible for what they say and do.
- We promote preparedness, coming to school ready to learn, with the right resources and mindset for engaging with learning.

ENJOY

- Above all, we want our pupils to enjoy their time in school and to develop a love of learning.
- We aim to stimulate the children's learning, enabling them to flourish and become confident, independent young people.

We are a friendly, supportive and dedicated school and highly value our teaching and support staff. Through our core values, we provide a caring and successful environment for everybody in our school community. An environment in which staff wellbeing, personal development and progress is of great importance. We welcome different viewpoints and the sharing of new ideas and our CPD programme offers many opportunities for growth and development.
